This page is where a pet owner can enter the information for their pet for a vet to reference when creating a prescription

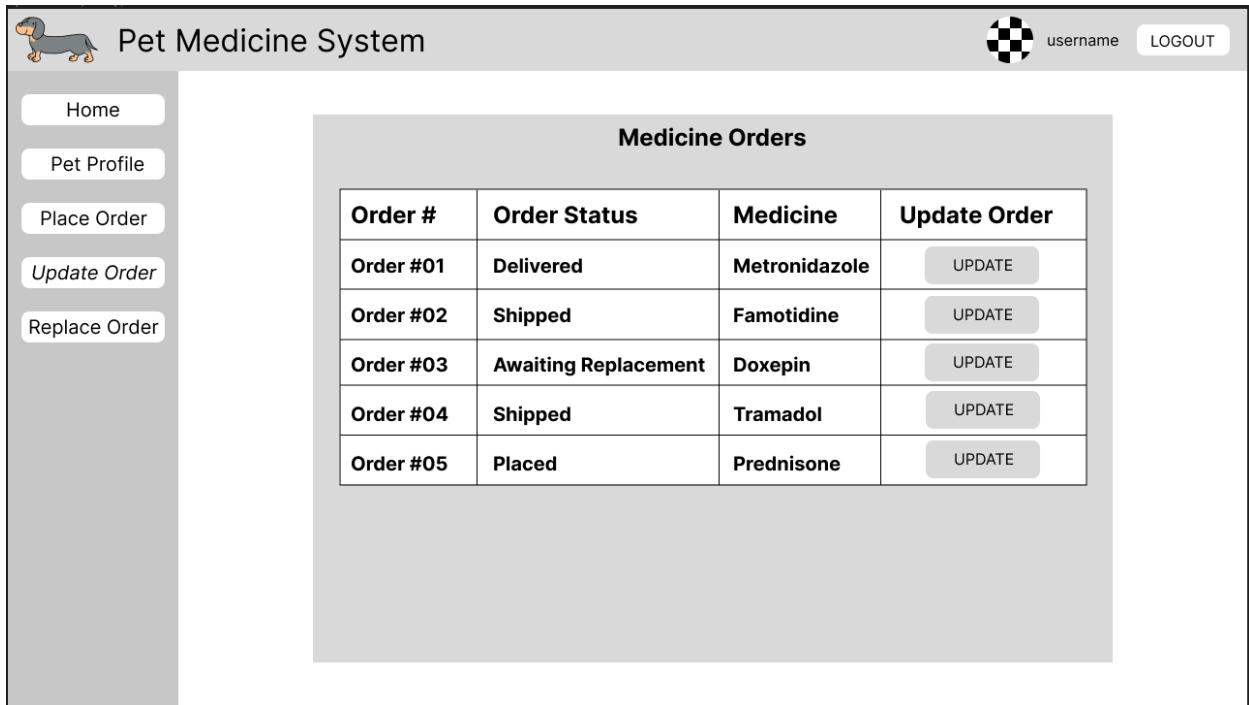

## Place Order – Vet's Page

The image shows a web application interface for a "Pet Medicine System". At the top, there is a dark red header with the text "AUTOMATED PET MEDICINE SYSTEM". Below this, the page title "Place Order – Vet's Page" is displayed. The main interface is a light gray box containing a sidebar on the left and a central form area. The sidebar has a logo of a dachshund and the text "Pet Medicine System". It contains five buttons: "Home", "Pet Profile", "Place Order" (which is highlighted), "Update Order", and "Replace Order". The central form area is titled "Place Medicine Order" and contains several input fields: "Pet:" (with a search icon and a dropdown arrow), "Medicine:" (with a search icon and a dropdown arrow), "Vet Name:" (with a search icon and a dropdown arrow), "Vet Contact:" (a text input field), "Owner Name:" (a text input field), "Owner Contact:" (a text input field), and "Shipping Address:" (a text input field). At the bottom of the form is a "SUBMIT ORDER" button. In the top right corner of the interface, there is a checkered logo, the text "username", and a "LOGOUT" button.

This page is where a vet would enter the information to create a prescription for a pet. It allows the vet to search for a specific pet, medicine, and prescribing vet name. The remaining fields are automatically populated based on the search fields.

## Update Order – CS Rep's Page

The interface for the Pet Medicine System, accessed by a Customer Service (CS) representative. The header includes a dachshund icon, the system name, a user profile icon, and a login/logout section. A sidebar on the left contains navigation buttons. The main content area displays a table of active medicine orders, each with an 'UPDATE' button for status changes.

Order #	Order Status	Medicine	Update Order
Order #01	Delivered	Metronidazole	UPDATE
Order #02	Shipped	Famotidine	UPDATE
Order #03	Awaiting Replacement	Doxepin	UPDATE
Order #04	Shipped	Tramadol	UPDATE
Order #05	Placed	Prednisone	UPDATE

This page is where a Customer Service (CS) representative would update an order's status, such as when an order is shipped or delivered.

## Replace Medicine – Dispensing Department's Page
